STUDENT BODY MEETING

The first regular meeting of the student body was held Monday, Sept. 30. A committee consisting of Dorothy Wilhite, Donna Brown, and Fred Compton, was appointed to take charge of election on Thursday, Oct. 3.

Elsie Wilhite was nominated for president, Mary Hannaford for vice president and Margueritte Marshall and Sybil Caster for secretary and treasurer.

It was decided to elect the yell leaders later on after the athletic season had started.

FIRST SNOW AT CRATER LAKE

Last Friday night the first snow fell at Crater Lake. The snow is one and one-half inches deep. The Ranger Station at Anna Springs is still open with one Ranger and his wife on duty but it will probably be closed soon. At Crater Lake there is still one Ranger with the winter keeper.

Last Sunday the road was still in very good shape. Many took the opportunity of seeing the Lake for the last time this season.

NOTE BOOKS STARTED BY HISTORY CLASS

Each pupil in the United States History class has started what you might call, a Current History Note Book. This book consists of clippings taken from the news paper each day. The clippings are about something which the United States as a whole would be interested in.

This is done to give the pupils a little rest from the continual grind of studying History, and also to show them the difference between ancient and modern times in the U. S.

SCHOOL BOARD MOVED REGULAR MEETING

The members of the Eagle Point school board who are A. C. Mittlestead, chairman, Mrs. Edith Weidman, clerk, and Mrs. William Hurst and Lester Throckmorton, directors, met for the first time this school term on Friday, Sept. 27. Warrants were issued and the board decided to have the slab wood sawed which was purchased from the Owen Oregon Lumber Company.

EAGLE'S QUILL

Mary Hannaford-----Editor
Maggie Marshall-----Ass't Editor
Elsie Wilhite-----Business Manager
Gladys Cowden-----Art Editor

A weekly newspaper edited by the English III class of Eagle Point High School. Subscriptions 15¢ per semester or 3¢ per single copy.

USEFUL HABITS

Eagle Point is a little village nestled among the foothills of the Cascade Mountains. Dwelling houses are dotted here and there along the banks of Butte Creek. Tall Elder trees, Dogwood, and Willows border this stream, as if in protection against outside foes. Jack Frost has again visited these trees and has turned the leaves a reddish, golden color, flicked with different shades of brown.

The many people passing through this town, who are intending to make this their home and an educational success for their children notice first the appearance and outstanding objects which will help them with their business operations or Educational motives. Let us try to help this appearance of town and school, by not throwing paper to "Ye Winds" and garbage to any place that will receive it, but place all waste in garbage cans or other waste receivers. Effort and ambition are useful habits. Let's get the habit.

M. H.

CHANGE IN PUBLICATION

The Eagle's Quill will be published next Friday instead of Thursday because of Teachers Institute which will be held October seventh and eighth in Medford.

SCHOOL PAPERS SENT TO OTHER SCHOOLS

The Eagle's Quill is being sent to the following schools; Prospect, Sams Valley, Gold Hill, Phoenix, Talent, Butte Falls, and Jacksonville by Dorothy Wilhite, secretary. As it is the usual custom for schools to do this, the English III class decided it would be the best plan to show the other schools what Eagle Point is doing and also show our appreciation to them in receipt of their papers.

OWEN OREGON CRUISING CREW

The Owen Oregon cruising crew under B. F. MacRae, is now cruising timber near the North Fork of Little Butte Creek, about 12 miles from Butte Falls.

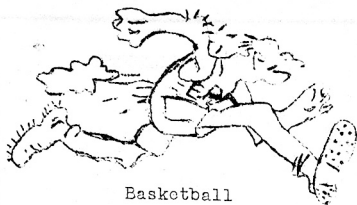

This crew covers from 160 acres to 360 acres a day, depending upon the density of the timber. Their usual area per day is a quarter of a section.

As their work leads them further into the timber, it will be necessary to move their camp from place to place. Their next move will be to the old Reibersstadt homestead about eight miles from Butte Falls.

FLIES LEAVE GRAPE ROOM'S

The boys and girls of Miss Aitken's room and their little neighbors in the primary room, have made a raid on their visiting winged friends with the aid of fly-tox and the swatter. The Domestic Art Class has also been visited by fly-tox and feels quite protected at having such accomplished warriors on the lower floor of the building in which it works.

PERSONALS

Basketball

A definite basketball practice schedule for the boys has not yet been started. However, in the mornings, at noon, and after school, the basketball is kept busy. Although our team may be light and inexperienced, we may put up a harder fight than expected.

Soon, we will have a practice game to pick out the best players, and then have a first and second team. We hope to accomplish a great deal in basketball this year, under our capable leader, Mr. Haan.

Wood Defeated By Ashland

The Ashland football team defeated the Wood team Saturday afternoon by a score of 20-6. The first touchdown was made shortly after the game started. The ball was passed by Ashland near their own goal. Wood intercepted then dropped the ball which Ashland recovered behind their own goal. Wood's single touchdown was scored on a brilliant passing attack. Ashland's other scores were made on a series of line smashes which were too much for Wood who had a light team.

This leaves Ashland as one of the chief contenders for the Southern Oregon championship as Wood and Klamath Falls played a 7-7 tie at Klamath Falls Sept. 21. Last Saturday Klamath eliminated Grants Pass as a serious contender by a 26-7 defeat at Klamath Falls. Grants Pass and Klamath Falls may come out of it though as the season is still early and these are their first games.

Miss Sybil Caster spent the week end at the home of her sister, Mrs. Roy Burleson of Phoenix, Oregon.

Miss Freda Chambers spent the week end at the home of her parents near Medford, Oregon. Miss Chambers is a student of Eagle Point High School and makes her home with Mr. and Mrs. Ted Seaman while staying in Eagle Point.

On Sunday the Misses Morothy and Elsie Wilhite made a pleasant trip to their home at Lake Creek. Mrs. Wilhite and daughter, Hazel, accompanied them on up to the Dead Indian Soda Springs. Mr. Vernon Moria and the girls returned to Eagle Point late in the evening.

Mr. and Mrs. Ernest Dahack and family returned to their home Sunday. They spent the last week at the coast.

A party was held at the home of Mr. and Mrs. Otto Caster Monday evening Sept. 30, for a number of Phoenix friends. A supper was served at 7:00 o'clock, the remainder of the evening was spent in pleasant conversation and games. Those present were Mr. Johnson, Mildred Coats, Jean Rose, Edna Mac White, Winnifred Inman, Irene Stanley, Elva Caster, Joe Hartley, Ray Maust, Edward Smith, and Mr. and Mrs. Otto Caster.

Joe--Say, Freddie, your new coat is full of creases. Why don't you get you a coat hanger?

Freddie--I did, but the wood hurt my shoulders, and the hook kept shoving my hat over my eyes.

Miss Miller--Give a sentence containing eight feet.

Mary H.--Four boys walked down the street.

Maggie--How come Johnny has been so much more attentive to you, since he has been driving the School Chariot?

Dot C.--Yes, I gave him one of his much needed doubtings.

Clerk Elsie--How about one of these nice bath robes, Kirch?

Kirch--Nothing doing young lady, When I take a bath, I don't wear a bath robe!

Margaret B.--Vernon, refused to recognize me at the Hop last Saturday. Thinks I'm not his equal I suppose.

Dorothy W.--Ridiculous! Of course you are. Why, he's nothing but a conceited idiot!

Miss Butt, (in History class) What were the Grandfather Clauses?

Norman--I don't know. The only one I know of is Santa Claus.

Mr. Davies--I'll give you three days to make up your time.

John M.--All right, Fine. I'll take Fourth of July, Xmas and Easter.

Geneva M.--I think you must be a wonderful Basket ball player.

Henry W.--What makes you think so My foot work?

Geneva--No, the way you dribble your food!!
